Requirements

To obtain certification as Shakti Dance Instructor Lev. 1, you must comply with the following requirements:

- Attend comprehensive training and complete home assignments
- Pass the written exam and the practical exam
- If you miss training days up to 20% of the total number of days of the course, you agree to make up for what you missed in the year following the end of the course.
- To make up for what you missed, you could request extra private time with the Lead Trainer and/or complete a written and practical assignment. We inform you that this requires additional investment to compile the time that the leading trainer has to devote to you to help you catch up. (This amount ranges from \$ 25 to \$ 200 depending on what you will need to make up)
- Pay the entire program
- Take at least 30 courses outside the course (not included in the SDTT tuition fee). If Dharma Devi or any other certified teacher is not available regularly for courses we reduce this requirement to 16 classes, we invite you to attend any workshop, or class Dharma offers between SDTT dates.
 - If you attended the two-day seminar on May 26 in Quebec City, it would count for 10 hours of that time
- Attend at least 3 sadhana during the SDTT
